Hey!  
It's Guiden ([nancy\\_guiden@ios.doi.gov](mailto:nancy_guiden@ios.doi.gov)).

Busy even though the Secretary has been gone. 5 million things changing at once. The usual, last minute requests from the White House. So: typical!

How's DoD treating you? Still going well after this week?

How's the week? Thank you for your help earlier this week!

Amy.
